

**Task 3 (EXTENSION)**

Complete the first two columns of this table using the statements provided, then come up with two more of your own to develop your understanding.

	People in the Middle Ages were devoutly religious	Most Germans were not Nazis; they were merely brainwashed or terrorised into supporting Hitler		
What evidence could we use to prove this point?				
How might this evidence be regarded as untypical?				
How might this evidence be regarded as untrustworthy?				

**Task 4 (EXTENSION)**

Complete this table.

	Poetry / Novels	Films / Plays	Art / Architecture	Diaries / Memoirs
<b>Strengths:</b> What can they tell us about past societies?				
<b>Weaknesses:</b> How might this evidence be regarded as untypical?				
<b>Weaknesses:</b> How might this evidence be regarded as untrustworthy?				

**Task 5 (EXTENSION)**

- Research "Historiography" on the web and make further notes.
